I will also state why I wrote of aspect braggadacio atyle that I did I wanted to kill in two or all the love and respect that my wife had ever intertained for me, and thereby lessen the promor anxiety that she might feel for me of Li's after she became aware of what I had done. You who have up to this time thought or Or SHANGHAL incident, insagined what a luxurious life I am no doubt sals have leading, are for once disappointed, as I am one or they of the most miserable criminals on the face of On Calcutta, - Bank, 3 days' sight 2224

A SAD CASW. The Paris papers announce the death of a woman well known to frequenters of the laxemburg Garden by the name of the Fiancee de l'Orms. For nearly thirty years the has not failed, whatever the weather might be, to seat herself on the same bench in the garden from midday to five o'clock in the afternoon. When any one attempted to enter into

SHOCKING BUSINESS. (News of the World.) Some Parisian electrician bas developed a contracting to do the work nightly. You genius will be laid down in wires, and turned

on or off as required—the charge so much per Grisi-purer. If the singers do not sing well, distributed in " meine" all over the land, with connecting pipes, and of course meters, to every town half and assembly room? Would not even It is reported that three Corean mandarins a bustage secure a certain amount of electricity nunishment has been inflicted is not stated, but | thousand nine bundred and ninety-five dull

finally be overcome?

CHINAMEN AS MINERS, The Grass Velley Union of January 12th gives the result of a trial of the beet class of Chinamen as miners, as follows : It is stated that experienced Chinamen were recently employed in one of the mines over in a mine where they were not interrupted by any outside berbarians, either in their work or in the Han-yang-hien-che, or ." The Annals of going to or coming from work. The Chinamen the districts of Hanyang." having been carefully thus employed were not picked up hands, such as the or Kung-pan, with the date of September, 1868, villages, but they were ploked men. They were the veteran blusters and rock-tunnelers of all into boards, came into my possession last year, as the Chinamen. They had won honors for good the Chinamen. They had won honors for good the Chapters, bound into twenty books, with maps, chapters, bound into twenty books, with maps, place, and places relating to the topography of the district.

The book, bound in two joint in the Chinamen. They had won honors for good they had won honors for good the Chinamen. They had won honors for good they had won honors Here it is perhaps worth while to add that, Celestials could and would outwork any white reas anthorities, these Chi-shu have more the men, in say sort of grand, above or below the and character of memorials, or records, as the name diggings, and they were given months to prove the property significs. They give such accounts of the men and things as are intended to assist the officials, who are necessarily foreign to the

officials, who are necessarily foreign to the man could not come to time. They did not places they govern, in the "knowledge" of the fill the bill. We believe they can pever be commonly for the High. More than twice as much of petent underground miners. They can pass out. lision these books, as a role, refers to chronography, on the surface, rock a oradic, and shovel into a role, as to topography. The names of all the agful bigh provincials, local mandaring literary stone date and in but to sink shafes, held work; as revised, superittiended or compiled been put on Chinese shoulders. They are not f mis- of a carefully and authoritatively pre- and they never can be. Their old civilization, its (if pared book. On the 9th page of the 5th which stopped hundreds of years ago, when our chapter, an account is given of a small hill on European abovetors were paked savages; & civilization which, on account of its belonging trial Hankow. It is said to be about 100 chang to Chinamen, has never improved within the ber of period of the fan-twoh-chi. It is therein ro-which science and invention give.—Edn Fran-
